

**LET THE COUNT DOWN BEGIN!!!**

# Are you ready for blast off... 2018 Space Exploration Council Camp???

**Calling all Scouts of Tomorrowland!!**

**Are you ready to climb your way out of moon craters or over boulders?**

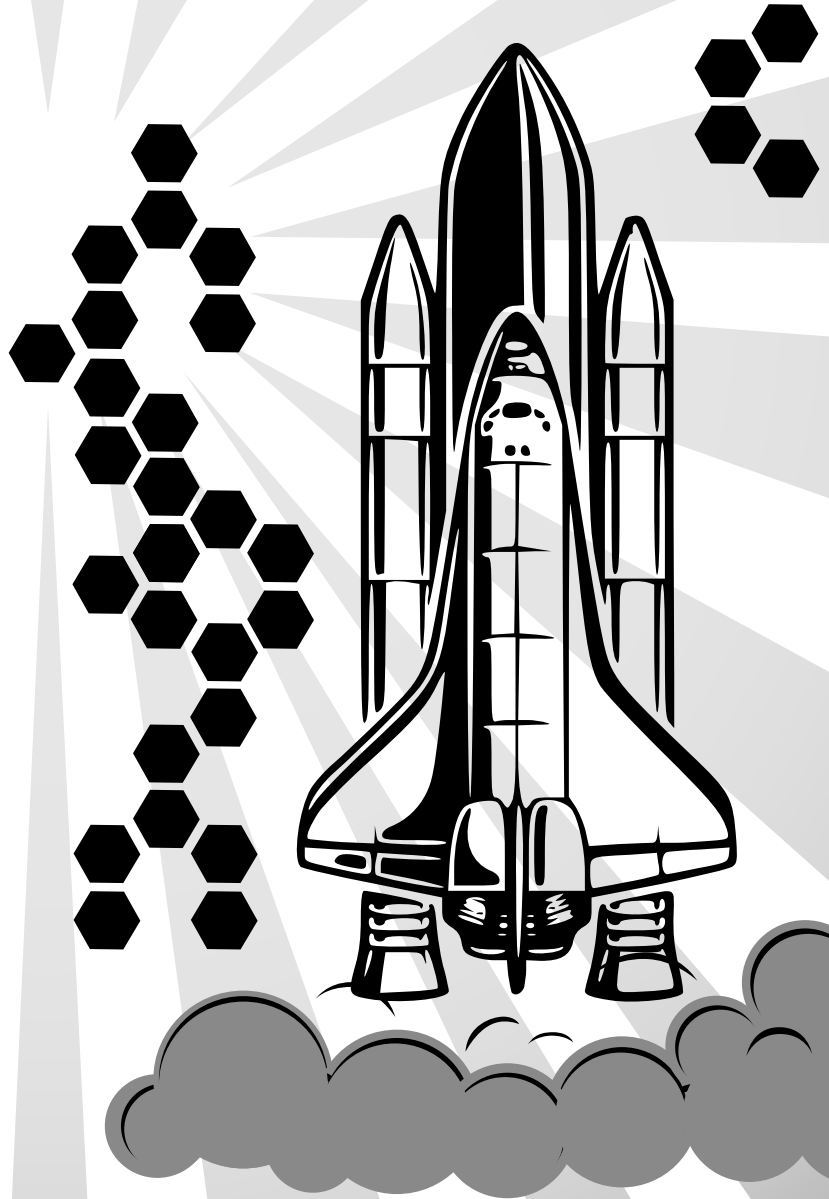

**How about saving your team from an alien attack??**

**Are you curious about the stars?  
Come and sit back and enjoy one of our planetariums!**

**Looking for a challenge? Paddle your way through our astronaut training course!**

**Tomorrowland Scouts will also be able to enjoy some of our STEM activities like launching your own rocket or have a turn at Scouter Rob (our bomb sniffing robot!)**

**Our nighttime entertainment will really get your moon rocks rocking at our main stage! Want something quieter?? Enjoy a traditional camp fire or enjoy the stars with our professional astronomers!!**

**Please find the registration forms attached for your group and for offer of service. Please also find the design crest for Scouters (please note the due date has been changed to April 7th)**

**If you have more questions please email [swccouncilevents@gmail.com](mailto:swccouncilevents@gmail.com) See you there!!**
