Shining Waters Council – Incoming Council Commissioner

14 November 2018

We are pleased to announce the appointment of Kit Cheng as the Incoming Council Commissioner for Shining Waters Council. He will take over the Council Commissioner role on February 15, 2019.

Kit joined the Scouting Movement as a Scout at the age of 11 with the 6th Richmond Hill Group, and since then Scouting has been part of his life. Currently he is the Area Commissioner for York Headwaters Area, one of the largest areas with 2,500 youth and adult members. Along with the Key 3 and Service Team, York Headwaters achieved growth and maintained a 70% retention in each of the past 3 years. Prior to the Area Commissioner role, Kit was the Deputy Area Commissioner for Program, where he put emphasis on increasing youth leadership in all Area Events. Kit was also involved in the Program Revitalization Project back in 2012, where he was part of the Phase I team providing section specific recommendations for what we know today as the Canadian Path.

Professionally, Kit works in an Actuarial Pricing Team with a major Property & Casualty Company. His everyday job includes distilling large amounts of data into key insights and areas of opportunity, improve programs and processes to increase efficiency and automation, and review experience of various products for rate recommendations. He is an Associate of the Casualty Actuarial Society (ACAS) and an Associate of the Canadian Institute of Actuaries (ACIA).

Kit will be replacing David Williams at the end of this three-year term. Please join us in welcoming Kit as a member of the National Service Team (NST). He can be reached at kit.cheng@scouts.ca.

Yours in Scouting,

John A. Estrella
