BRING-A-FRIEND EVENT

Dear Parent /Guardian,

Your child has been invited to a Bring-A-Friend Scouting event. Take a look at the attached Bring-A-Friend postcard to see where and when to join in the fun!

If you grew up as a Scout, you will remember camping, canoeing, having adventures in the outdoors and learning by having fun.

If you weren't a part of Scouts growing up, find out how Scouting can provide leadership, fun, outdoor experience and practical training with programs tailored to co-ed youth from ages 5 to 26.

Today, kids in Scouts have fun adventures discovering new things and experiences they wouldn't discover elsewhere. Along the way, they develop into capable, confident and well-rounded individuals, better prepared for success in the world. Right now, we have over one hundred thousand young people and volunteers nationwide representing every faith and culture.

We warmly welcome the young person in your life to experience the Scouting program first-hand at our Bring-a-Friend event. Come and take part yourself to find out more about our program. Talk to one of our volunteers or a fellow parent/guardian to see how Scouts can be the start of something great for your family.

A world of adventure is waiting to start. We're so happy to have you join us!
