South Lake Simcoe Area Report

September 15, 2018

[5 priorities](#)

Membership:

Latest figures for SLS (South Lake Simcoe Area: 490 participants 152 volunteers are active and registered. There are at least 206 with multiple roles. The main obstacle is still to find volunteers to join so more youth can register.

Safety Leadership: No major items to report. Volunteer screening continues as usual.

Program Quality:

Numbers are still down overall but lots of headway has been made. Last year 35 sections did a fall PQA, 28 winter, 28 spring and 5 summer. That's 36 %.

The helpdesk has forwarded the link <https://help.scouts.ca/hc/en-ca/articles/360000404006-How-to-use-Program-Quality-Awards-in-MyScouts> .

Volunteer Support: Scouters continue to be supported by their AK3 with more proactive service visits and increased ad-hoc one-to-one support for a variety of program, safety, and marketing inquiries.

SLS will again be working with YHW to provide WB I and WB II training to give the opportunity for volunteers, new and old, to get hands on experience, meet new people and expand their scouting network.

Please see our area web page <https://www.slsareascouts.org/> for more details on area events. Thanks to Scouter Tom Smith the page is up to date with the latest events. Please feel free to share any scouting events with Tom so he can post it!

Here's a "sway" outlining some of the items reported.
