

Whispering Pines Area Report – September, 2018

WPA currently has 25% of its Groups with three or more non-section Scouters.

Safety:

WPA has a very good volunteer readiness state, with only 9 Pending Scouters, most of whom are undergoing renewal or screening processes.

Volunteer Support:

Whispering Pines Area continues to seek an Area Commissioner whose position has been vacant since this past May. The CK3 is currently supporting WPA, and will be holding an Area Meeting on Sept 30th at the Scout Hall in Gravenhurst. This will be the first Area meeting for 2018-19.
